## 10. What time should I arrive in marina?

Check-in procedure officially starts on Saturday afternoon from 17 h. It is possible to arrange earlier check-in on your request but not before 14 h. We are doing our best to prepare the boats as soon as possible, but delays are sometimes possible due to the condition previous charterer has left the boat in. If you want to check the preparation status of your boat please contact us around 12 h to get estimated time of check-in.

## 11. What time should I return to marina?

On Friday afternoon at least 1 h before the sunset, so that the diver is able to check the boat underwater. Please make sure that you fill the diesel tank before you return to marina. Failure to fill the tank will be charged 100 € plus the cost of diesel.

## **12. What is the check-in procedure?**

Check-in starts when you arrive in our marina office in front of the pier D. Please do not arrive in marina before 14h.

1. You need to provide the boarding pass and required documents (Passport and/or ID card, skipper licence, VHF certificate);
2. Make a refundable security deposit (1000 € – 2000 € depending on the boat) in cash or preauthorized credit card Visa or MasterCard
3. Pay base package (150 € – 300 € depending on the boat), tourist tax (1,5 € per person per night) and any additional services you ordered in cash.
4. Our colleague will take your crew representative to the boat and go through the check-in list, to check with you that all equipment is on the boat and works properly. A check-in document is signed to acknowledge the state of the boat. After the check-in is finished all the crew members with their luggage can go on the pier to embark the boat.
5. You can sail out with your boat or choose to stay in marina till 12 h Sunday morning.

## **13. What is the check-out procedure?**

At that time, he will check the boat for damages and the diver will check the boat underwater. Check-out document is signed to acknowledge the state of the boat. We prefer to do check out on Friday evening so you can leave your boat on Saturday morning (till 9 h) with no paper work.

Yes, and for most of the boats you won't be charged for mooring. Some of our boats (Euphoria, Star Kiss, Elica, Mala Tonka) have only check-in and check-out days paid for, so if you are planning to stay after 12:00 on Sunday you will have to pay the mooring fee to ACI marina.
