The yacht has to be returned with full fuel tank. Failure to do so will be fined with 100 euros plus the cost of fuel. All the equipment on the boat has to be returned in the same condition as it was on the check-in.

Please list your remarks below, if there is any doubt about the yacht, equipment, systems, etc.

.....

.....

.....

.....

.....

.....

I certify that I received the yacht and its equipment in good working condition (except the remarks listed above).
